

THE ENTER-TRAINER DIGITAL LEARNING ACADEMY

Welcome to The Enter-Trainer Digital Learning Academy. This is a one-stop learning solutions platform for individuals and organisations. This comes to you in association with Multinode Solutions, a training consultancy & mentoring organisation. Multinode Solutions specialises in curating trainers and content for a robust online learning experience. Multinode is established by seasoned professional trainer and ex-air force professional Mr Dilip Sharma (www.multinodesolutions.com).

The Digital Academy is the brainchild of Hariharan Iyer - The Enter-Trainer®, an accomplished learning & development professional with over twenty five years of experience. He is Founder & Chief Mission Officer of Hariharan's School Of Success Education (HSSE), which he set up in 2009.

A multi-faceted personality, he holds a registered trademark for the moniker The Enter-Trainer and conducts The Enter-Trainer Certification program for trainers and want-to-be-trainers. Besides being a prolific blogger and author of various self-help books, Hariharan is also a Reiki Grandmaster, practicing meditation and Reiki for over thirty years (www.theentertrainer.in).
